# RIGHT *Up* FRONT

**M**mm! Mmm! Mmm! As the ladies in the photo below will tell you, pussy tastes the absolute best! It's good on a warm summer day, a cool fall afternoon, or a cold winter night! Pussy, my friends, never lets you down! You know what else never lets you down? You guessed it, pal: **GALLERY!** In fact, this month may go down (so to speak) as one of our filthiest issues ever! I don't think I've ever seen as many pussies, assholes, and mouths crammed with so much cock as I have in the month's mag! It's a sight to behold, if ever there was one! Hey, it's nice when some things stay the same, isn't it? The good thing for us is this: pussy never goes out of style! —*The Editors*

# FEEDBACK

**MORE  
JOEY  
HART,  
PLEASE!**

Hey **GALLERY** guys!

Joey Hart is seriously the hottest fucking girl you've ever run! Those life-sized pussy pictures you had of her were instant favorites of mine! That girl deserves a good, deep fucking, and I want to give it to her! I know there's no way to make that happen, but if there is, please let her fuck me! How about one more shot of Joey for my collection?

—Alfred S. Yakima, WA

## LIFE IN A DAY, A-OK!

Dear **GALLERY** Editors,

That feature called "Life In A Day" was really cool! It's awesome how the Internet and everything has made the world smaller! Getting that amount of people together for something that shows how close we really are to each other is awesome! Thanks for sharing it with us! —Andy P. Sacramento, CA

## ED HELMS: FUNNY MAN!

Hey **GALLERY**!

Ed Helms is one of my favorite comedic actors of all-time! To me, he's right up there with: Steve Carell, Jon Stewart, Seth Rogen, and even the old-timers like Jackie Gleason and Redd Foxx. I'm sure not everyone would agree with that, but that dude knows how to make me laugh!

#### **FILTHIEST EVER?**

Dear **GALLERY**,

I think you guys may have reached the pinnacle of all things dirty! Those girls from your last issue were indeed the most cum craved queens I think I've ever seen! Two cocks at once? No problem! My hat (and pants) off to you!

—Evan W. Queens, NY

#### **SEXY STASY, GETTING VOTES ALREADY!**

Hey **GALLERY**!

That girl, Stasy, is an instant winner! All I want to do is eat that girl's pussy and asshole for hours! She has one of the best little buttholes ever, and it definitely needs to be licked, sucked, and fucked! If she ever moved next door to me, her backdoor would be the cleanest around—trust me!

—Hank F. Houston, TX

**W**ith her bright blue stocking encased thighs, Sunshiny Sandy is quite a gal. She's sweet, smart, and sexy in a natural way that is impossible to imitate—either you got it, or you don't—and Sandy's got it in spades. When confronted with her cheerful smile and shiny eyes, it's tough to decide whether you want to gather her up in your arms and hug her close—or spin her around, bend her over, and bang her hard from behind. Well, folks; that's the beauty of Sandy—this minx could go either way. She loves a huge hug just as much as the next girl, but she loves a dirty roll in the hay even more. Don't let her fresh façade fool you—Sandy is a true jizz junkie—a real glutton for the goo pipe. In fact, she needs cock so badly she has to constantly diddle herself with a dildo between dudes. Betcha didn't see that one cummin', did ya?

# Summer Bob

&  
Dave

**S**ummer had been dying to do her co-workers, Dave and Bob, ever since she first started working at their law firm. Throughout her legal stint, both had been vaguely flirty, but aloof—so when they invited her out for celebratory cocktails on her last day of duty, Summer was delighted. So, when the boys brought her to their apartment instead of the corner pub, she knew that it was going to be a very happy hour indeed! She got down on her knees to get the party started, and after slathering their stiffies with spit it was on! Soon, she had Dave balls-deep in her bone yard, with Bob banging down her back door. She closed her eyes, arched her back, and gave herself over to the O's while the boys thrust and humped. The friction built until their sacs were about burst, and then they pulled out quickly to season Summer with a little sprinkle of spunk.

# TIME TRAVELER

Checking out the hotties of yesteryear! By Neil Wexler

## 1956!

Hello again, my companions in Horny Time Traveling! For the next two installments of this column, we're going back to 1956. The more I did my research, the more profound this year began to seem. The need for a guy to relax and distract himself with sexy magazines was pretty great then—much like it is today.

1956 was comparable to our era, where one of the things that compulsively drives people to XXX on the Internet—as well as other forms of entertainment—is undoubtedly a basic need to forget all the tension and strife that we have to live with, and instead appreciate the happier things in life—for instance: Laughter and lovely ladies. It was like this in 1956, when one considers what people were hearing about; whether it was the hydrogen bomb tests that the U.S. was conducting in the Bikini islands, or the conflict in the Mideast between England, France, Israel, and Egypt over the Suez Canal. In 1956, popular President Eisenhower—whom had already survived a heart attack the previous year—had to undergo emergency surgery for an intestinal blockage. The prospect of Vice President Nixon having to take over was unsettling, since he was nowhere near

as well liked as his superior. So, between fears of atomic power, a Middle Eastern conflagration that the United Nations had to settle, or whether the health of our president was in serious danger (and remember: He was regarded as one of top heroes of World War II.)—people had plenty to worry about—not to mention forget. Television helped folks relax, as top hits were primarily comedic sitcoms like “I Love Lucy,” and game shows like “The \$64,000 Question” and “What’s My Line?”

Elvis Presley, nicknamed “The Pelvis” for his hip-gyrating dance moves—first came to national prominence in 1956, with his number one hit, “Heartbreak Hotel,” his first Hollywood film *Love Me Tender*, and most notably—his galvanizing appearance on the number one variety program, “The Ed Sullivan Show.” With Elvis, a new freedom in music and sexuality was born—sending shock waves through the culture for years as his rockabilly stylings helped sow the seeds of the Sexual Revolution that would convulse society in the 1960’s. Rock ‘n’ roll dancing first became popular in 1956, too, and in England, movies such

as *Rock Around the Clock* actually inspired violence by the delinquents known as “Teddy Boys.”

In 1956, the world first took notice of revolutionary Fidel Castro in Cuba, only 90 miles away from American shores. In Hungary, the Soviets suppressed a major anti-communist uprising that stirred up lovers of democracy back then just as much as the revolution in Egypt does in 2011. In the American South, there was shattering racial strife with the burgeoning civil rights movement, including a year-long boycott of buses in Montgomery, Alabama to protest the policy that blacks had to sit in the back—a protest that led to major strides in eventually overturning segregation. Talk about a profound year!

Unemployment in the U.S. stood at 4.4 percent that year, and the average yearly income was 4,450 dollars. The average monthly rent was 88 dollars, and a gallon of gas was 22 cents. The median cost of a new car was 2,050 dollars, and a new house stood at around 11,700 dollars.

The Yankees beat the Brooklyn Dodgers 4-3 in the World Series, and IBM invented the first 5 MB computer hard disk, along with the first commercial video-

**D**o you ever dream of time traveling? Would you like to experience the thrills of days gone by, and especially the women of long ago? Since time machines haven't been invented yet, one way to do it is by browsing through vintage girly magazines, photos, and books. Over my years as a writer and editor, I've gathered a nice collection of classic titles, and in this regular column, I'm going to share them with you in words and pictures!

tape recorder that went on sale.

While all these new inventions were happening, classic burlesque and striptease were still going strong in the USA—both in theaters and nightclubs. Which was why a magazine named *Peep Show* came out with an April 1956 edition that was primarily—though not exclusively—devoted to the ladies who peeled onstage. The mag was published by the N-E-W-S Publishing Corp. in Derby, Connecticut, and was large-sized in the style of the famous pictorial publications of the era such as *Life* and *Look* magazines.

This issue contains almost every prominent model or dancer from its era! On the cover is Renee Andre—one of the popular peelers of the time who also became known for having one of the first breast augmentations. Although she was a headliner at clubs nationwide, *Peep Show* couldn't seem to decide how to spell her name, using both "Andre" and "Andree." According to *Billboard* for May 6, 1950—which can be found online—it was spelled: Rene Andre.

Strippers were still considered legitimate variety artists in those days, and their career whereabouts were noted in *Billboard*—one of the bibles of the entertainment business.

One feature in the magazine spotlights the 1956 burlesque movie, *Buxom Beautease*, which one can purchase on DVD in 2011 for only ten bucks at [www.something-weird.com](http://www.something-weird.com). On the other hand, YouTube got a hold of the trailer, as this movie boasts an incredible lineup, with top stars such as: Tempest Storm (42-24-36) and Blaze Starr, as well as the newcomer, Dorian Dennis. Of Blaze Starr, whose performance in this movie is essential for any fan of vintage burlesque to see—*Peep Show* enthused: "In every burlesque house that has seen her act, Blaze has burned her audiences to a contented crisp." Reminding its readers that in a previous issue they'd given Blaze their biggest picture spread ever to a single stripper, they went on to say: "We got out on a limb for this lass—but limbs like she has are worth hanging out on one real pleasure!" Indeed, Bl-

is vibrant in her pix. Toward the end of her career in the 1970's, I had the luck of seeing her strip in person at the Melody Theater in Times Square. She even had a three-piece combo accompanying her, which was never done in those days of canned music. She was about 40 years old at that time—and absolutely sensational! I can still see her wrapping a feather boa around her buxom body.

*Peep Show* ran six pages of *Buxom Beautease* publicity stills. The movie was produced by the legendary, Irving Klaw, whose company—Movie Star News—also took the now world famous fetish photographs of Bettie Page in leather, heels, corsets, and nylons. Dorian Dennis was particularly singled out for attention by the unnamed *Peep Show* editors (the magazine has no masthead), who reproduced a lengthy item from the gossip column, "New York Confidential" by the then-prominent newshound, Lee Mortimer. It tells about how to use a '50s slang word, "stripteuse," as Dorian was a whiz kid, having graduated from high school at 15. Then, Mortimer goes on: "She holds a B.S. degree in chemistry from New York University, which apparently gave her the idea of cashing in on the chemistry of the human body—which she presently does in the G-string league at 1,000 dollars per each and every week, which is probably more than many Nobel Prize winners make in a year." Described by *Peep Show* as a "True Latin

beauty," although her exact ethnicity is unspecified, Mortimer's column reveals that Dorian's, "High scholastic rating won her a job in the laboratories of the Army Signal Corps at Fort Monmouth while she was still in her teens, and if anyone wants to investigate her she will be happy to expose all at the Place Pigalle in 52nd St." Alas, although 52nd Street used to be the street in Midtown Manhattan for strip joints, most of its brownstones were razed in the 1960's to make way for the sterile office towers which stand there today. Sometimes, ye ol' Horny Time Traveler walks down that street—between Fifth and Sixth Avenues around the corner from the Museum of Modern Art—and tries to imagine the hustle and bustle of the old days as the "buxom beauties" of long ago ankled along its asphalt.

Maria Stinger was a Miami blonde with a striking resemblance to Marilyn Monroe, and *Peep Show* ran four pages on her as "America's Sexiest Housewife"—mentioning how she was competing in the Mrs. America contest. Maria had three daughters, and as a model posed for photographers ranging from glamour great, Bunny Yeager—to singer and amateur lens enthusiast, Sammy Davis Jr. Sadly, Maria's life and mental outlook deteriorated as she got older, and in 1967 she died much like her doppelgänger—by her own hands—at age 36. However, in 1956 at age 25, she sure was stunning in *Peep Show*—posing in black silk high-waisted panties!

*Peep Show* ran this layout, she was almost 40, and about to open her own club in Miami, where she acted as emcee. With those arched eyebrows and lush lips, she was the perfect femme fatale, much like Hollywood goddess, Lana Turner whom she did indeed resemble.

Although *Peep Show* doesn't say this in their layout, I've read in recent burlesque histories such as Liz Goldwyn's, *Pretty Things* (Regan Books, 2006) Zorita was very much into women sexually, with a kind of Marlene Dietrich-like allure; sometimes dressing quite masculine when she left the theater. From some of her statements—to interviewers in later years (she died in 2001 at age 86)—it sounds as if Zorita preferred men mostly for what they could buy her, even though she claimed affairs with senators, congressmen, and VIP businessmen. She said to interviewer Jane Briggeman in *Burlesque, Legendary Stars of the Stage* (Collectors Press 2004) that "Men were put on earth to give gifts to women. That's what makes them happy—and I believe in making them happy." Apparently she did, because when it came to her act, she delivered the teasing that males loved, and she had a legion of fans. She can be seen in a 1959 movie called *Naughty New York*, also from the *Something Weird Video* website, in which she does a dance in front of a giant spider web! This, too, is essential viewing for lovers of vintage peelers.

Another model featured in *Peep Show* was Marguerite Empey, aka Diane Webber, who is considered by many

fact that she never posed nude! She eventually married Joe Weider of fitness magazine fame. Then there was Judy O'Day—a lovely colleen from Oil City, Pennsylvania, who aspired to be a jazz singer when she wasn't showing off those amazing pins for shutterbugs. There was also Sally Todd, lauded by *Peep Show's* editors as "TV's Highest Paid Model," and who appeared in the 1957 cult horror item, *The Unearthly* with John Carradine as a mad doctor who turns this lush babe into a hideous mutant. At the time of this writing, Sally is 76, and I've heard that she's writing her autobiography that promises to be full of juicy stories. And last, but obviously not least—*Peep Show* gave its readers two pages on Ricki Covette—the tallest stripper of her time at a staggering, 6'8"! According to the editors, she wasn't interested in marrying someone of her own height and "Starting a race of supermen." That's understandable, because while on the road as a stripper, Ricki could never find hotel beds that would fit her!

Zorita—one of the best-known strippers of the '30s through the '50s—actually got two cover lines on this issue. She deserved them! She's called "The Lana Turner of Burlesk" and "Voluptuous Venus: Fabulous Zorita." By all accounts, Zorita was the prototype of the "brassy broad" who could drive a smart deal when it came to business, and she was most famous on stage for using boa constrictors either named "Oscar" or "Elmer" as props in her act. "Zorita has the most come-on collection of curves in all burlesk," goes the *Peep Show* blurb, and her photos in fishnet tights and lingerie well demonstrate that fact. Zorita started stripping in the mid-1930's—she was one of the last headliners to work in New York City before Mayor LaGuardia outlawed burlesque in 1939—and by the time

connoisseurs of vintage pulchritude to be the equal of Bettie Page not just because of her beauty, but also because her athletic grace and ease with nudity. She was particularly admired for her outdoor poses by photographers such as: Bunny Yeager, Peter Gowland, and Russ Meyer (who shot her February 1956 *Playboy* gatefold). Diane became a cinema cult favorite in 1962 for her aquatic antics in *The Mermaids of Tiburon*. Thanks to the Internet, you can easily see a wonderful ten-minute clip from that movie on YouTube showing Diane underwater, complete with fins and seashell bra.

Other models in this issue include Center spread girl, Be: Brasmer—whose 38-18-36 figure and sweet blonde hair made her a major favorite in the '50s—described

So, my fellow aficionados of vintage vixens—now you see what I meant by this issue being chock full of the top names of 1956! Of course, it had a few of the typical ads of its era—a couple of which we reproduce here.

By the time a man finished *Peep Show* and put down the last of his Pabst Blue Ribbon, or his Rheingold—two favorite brews of the time—he must have felt much more relaxed. I certainly do, although, I'm drinking Milwaukee's Best. Now remember: I have more interesting stuff to show you from 1956—two different kinds of girlie mags as a contrast to *Peep Show*, so come back next issue for Part two. Until then, for more on the beauties of long ago, check out my blog at: <http://hornytimetraveler.wordpress.com>. G

# GIRL NEXT DOOR *of the* MONTH *Miki*

**T**his month's GND is the multi-talented Miki who can turn us on with a simple flick of her wrist! Of course, we're talking about her painting skills not her handjob prowess. Actually, it is both. This smoking hot babe takes creativity to new levels using her tongue as a brush and a cock as a canvas! And when you splatter her tits, pussy, ass, or mouth with your jizz, she thinks it's art! Funny, so do we! But who really remembers art class being that much fun? 🍆

**Q&A: BRAD MELTZER**

# HELTER MELTZER!

by Spalding White

**H**as history ever produced a more complete Renaissance man than Brad Meltzer? A lawyer/comic book writer/ bestselling novelist/cult television show producer/social activist—the 40-year old Meltzer also married his high school sweetheart, is father to three young children, and even helps the U.S. government fight terrorism as a consultant for a special Homeland Security program. Is there anything he *can't* do? “I can’t sing,” cracks Meltzer, “And my friends insist I can’t dance, though I think I can.” Don’t let the hat-juggling, do-gooder in Meltzer fool you, though; when it comes to penning crisp, Byzantine, crackerjack conspiracy thrillers, there’s no one—take that, Dan Brown—better. In the New York Times Bestselling novel, *The Inner Circle*—Meltzer’s D.C. based protagonist happens upon a 200-year old dictionary that once belonged to George Washington, and soon, the character becomes entangled in a web of deception and murder that leads to the best kept secret of the U.S. Presidency. His more personal bestseller—*Heroes For My Son*—captures a collection of heroic nobility for whom he wishes his infant son to be influenced. Meltzer’s History Channel series, “Decoded,” is also released this month on DVD, and finds the man for all seasons doing what he does best—using solid detective work and good-natured curiosity to solve the true and shocking mysteries and conspiracies at the core of our nation.

One of the recurring themes in your novels is how greatness comes from choices ordinary people make everyday. (“I don’t believe in destiny. I believe in history.” —*The Inner Circle*). What do you think is the origin of this ethos?

Blame my parents—my Mom especially. She grew up poor, [and] didn’t make it past high school, but she was the most amazing person I ever knew. Once, I took her to the White House—and as a decorator, I couldn’t wait for her to be impressed by the decor. She took one look around and said, “Unga patchke,” which is slang for “Overdone. Feh.” It was the White House! She hated snobs, she hated phonies, she hated rich, obnoxious jerks who can only talk about what kind of car they drive. And when she died, and I’d see the nurses or the waitresses in places she went—all they’d say is, “Oh, your mother was the best.” As one receptionist reminded me, “Not everyone is nice like that.” The truth about you is what people say behind your back. And I love my mother so much for that. From the Queen of England, to the janitor in the bathroom—she’d treat you the same.

You write with such authority about the Presidency and Washington DC. You’ve actually consulted with former Presidents regarding your work, haven’t you? How the hell does that happen?

It’s funny, I feel like I never used to write about the President. I always wrote about the staffer you’d never see—the one who knew how to stay two steps out of the picture. And then one day, I got the best fan letter ever, from former President George H.W. Bush—saying he liked my novel, *The Millionaires*, and could I sign one for him? I’d gotten another couple of notes from President Clinton as well, and that just makes it a little easier to say, “Can I spend some time with you for research?” The best part is, because I write fiction, I always get to see far more than what they’d show a reporter who’s out to burn them.

Can you reveal a juicy morsel that a former President has shared with you that’s, perhaps, become critical to one of your novels?

The entire premise for *The Inner Circle* came from a private conversation I had with one of the former Presidents. I’ll never forget it. We were talking about how hard it was to keep a secret, and make sure you’re not overheard when you’re in the White House. And when a real President whispers something like that to you, you pay attention.

Dani

Vera and Danika are a pair of fine vegetarians that love nothing more than to snuggle up and snack on each other's boxes. They rush through the tedium of their day in order to have at each other as quickly as possible—and as with all great lust affairs, when they are in each other's company—the rest of world simply melts away, and all clocks seem to grind to a halt. This romantic rift in the time-space continuum leaves plenty of room for these darling dykes to engage in endless tittie caresses, slit licks, starfish smooches, and fingerbangings—which all lead down the path to never-ending O's. But, alas, the tragic truth is that eventually, these cunny-craving cuties have to part ways. No worries, though—they'll meet up to work over each other's warm, wet wormholes some more in the morrow.

# Samantha

**S**tunner Samantha has a super-fine face that could stop traffic—or at least slow it down enough in order to allow drivers to navigate her dangerous curves. When she sashays down the street, she trails in her wake a cacophony of honking horns, wolf whistles, cat calls, and tearing cloth as seams rip out in the crotches of men's pants in order to accommodate the sudden ferocity of their raging hard-ons. Those legs! That ass! Her tits! Dammit, Sam is DD-licious. More than a mouthful is a wondrous thing, indeed. This babe is built for cumfort, and every single soft, buttery inch of her is waiting to be washed with man-milk. She delights in dishin' out lovin', and specializes in honey-coated tube steak. No doubt about it, our sexy Samantha is a lot to handle, but hey—she handles it so very well, it's worth it.

# Lioness, Nick & Les

**W**hen a woman is as lusty as Lioness, it often takes the amorous attention of two horse-hung studs the same time in order to make her pussy purr. Serendipitously, she stumbled upon two such creatures at poolside the afternoon she was out on the prowl for a pussy pounding. In no time at all, sexy Lioness coaxed Nick and Les away from their chores, out of their clothes, and into her holes. She rode, was ridden, not to mention bucked, sucked and spun—until her asshole cunny throbbled with orgasmic spasms and her voice was hoarse from crying out: “Hell yeah!” and “Harder!” Nick bust a nut first all over her tits, and the sight of her sweet rolls frosted with man-naise sent Les into a frenzy. He followed suit with his own coating of cock cream soon after. Sweaty Lioness was all smiles after being bathed in thick bone juice. Purr-fect!

L

IONESS, NICK & LES

Continued from page 49

You've actually consulted with Homeland Security's Analytic Red Cell Program, where you dream up potential terrorist scenarios for the U.S. government to prevent. How were you drafted for that?

A few years back, I got a call from Homeland Security asking me if I'd come in and brainstorm different ways for terrorists to attack the U.S. My first thought was, 'If they're calling me, we've got bigger problems than anyone thinks,' but they'd seen the research in my books; and they know I have good sources, so they invited me in. I

was honored to be a part of the Red Cell Program. They'd pair me with a Secret Service guy and a chemist, and they'd give us a target, and we'd destroy major cities in an hour. It's not the kind of day where you go home feeling good. You go home terrified, because you see how easy it is to kill us. On lunch breaks, I'd be talking to all the national security folks, and they're the ones who helped me tease out the entire plot of *The Inner Circle*. They're the ones who taught me what every President really needs, and they helped ensure that the best secret in the book was as real as could be.

As for future terror scenarios—that's the one thing I can't talk about. They asked me not to reveal the targets they gave me, and I always honor that trust.

Unlike so many conspiracy buffs I've met through the years, you're not jaded, not cynical, not angry. You're one of the kindest guys I know. You even make fun of your "Tough Guy" postures in photos and promotional materials.

Again, blame my family. My grandfather spent his whole life wanting to be a police-

man. It was his dream, and he couldn't be one because of some dumb medical reason. But, he was the toughest, strongest, most amazing tough guy around—and the nicest. What I remember most about him was when he used to give all our old used toys to kids that had no money—and this was from a guy who had no money. The true toughest guy knows he doesn't have to be the 'Tough Guy.'

Your novels often take a political or urban myth of some kind, and then corkscrew them into the best literary thrillers around. Where did the mystery in *The Inner Circle* come from?

The best myths always have a hint of truth. For *The Inner Circle*, I remember when President Bush Sr. told me how hard it was for Presidents to talk in the White House—how hard it was to keep secrets, and as I looked back through history, I realized the problem dated back to George Washington himself, who devised a secret group that would serve just the President. They weren't military men; they were regular citizens—just like us. Just like when I was in the Red Cell Program. Washington called them 'The Culper Ring'—and they were the secret weapon of the Revolutionary War, even though they were never in most history books. You're telling me the first President of the U.S. had a secret spy group that saved our country? I'm interested. And as I talked to my National Security folks, we kept coming back to one idea: Who says this secret group was ever disbanded? Who says it doesn't exist today? When someone in National Security said to me: 'I wish we had The Culper Ring today'—that's when I know I had the plot for the book.

And you get to do a similar thing on your television show. How did that come about?

Again, I got lucky. One of the heads of the History Channel read my thriller—*The Book of Fate*—and he enjoyed all the Freemason secrets, and the Thomas Jefferson code that was in there, and simply said, 'We should do a show like that.' So, "Decoded" is just me doing exactly what I do in my novels—looking through history, and trying to solve its greatest mysteries. One of my favorites is about the very first piece of the White House, which was laid in an elaborate ceremony in 1792. Within 24 hours, that cornerstone supposedly went missing. President Truman went looking for it. So did Barbara Bush. But, for 200 years, no one knows where the very first piece of the White House is. Needless to say, I want to find it.

What's a secret about you?

I can say the alphabet backwards. Faster than anyone. 

"Is there any gel or liquid in those, Miss?"

# Britney

**W**atching Britney spear herself with a candy-colored vibrator is beyond awesome. Witness how her smile widens with each wiggle of her wrist, as she eases that mock cock further inside her tight, steamy twat. She loves the sensation of her snatch being full, and as long as whatever is inside her is balls or batteries deep—she hasn't a care in the world. Ahh, the simple life! When a gal is built like Britney, why would she worry about a thing? Those perky titties, and that plump rump tacked on her taut little body are tops—and furthermore, she's been graced with an angel's face. Cap it off with those glossy blonde locks, and Britney is basically all set to enjoy a fabulous life of orgasms—one right after the other. It's safe to say that this sexy chippy is all that and knows it. Now, my horny friends, all she wants is her bag of chips. 

# Charmaine

# & Bailey

**T**he very second Charmaine saw Bailey at the supermarket; she knew that they were destined to have hot, wild sex together. Deciding to take command of her fate, she asked him to carry her groceries home, and since Bailey is always a gentleman when it comes to helping out hotties, he was more than happy to oblige. Besides, he also felt the tug of an inevitable hook-up in the form of a stiffening prick when he gazed upon Charmaine's hot bod. The rest went like this: He walked her home; and she asked him in. He kissed her nipples; then sucked his cock. She climbed on top and rode his baloney pony; and moments later, he got behind her and boned her in doggie. When it came time for the grand finale, Charmaine got there first—but only by a bit. Her pussy was still in mid-spasm when Bailey slid out to spackle her stomach. Cum to think of it—she never did put those darn groceries away.

# Nora

**Ü**ber blonde beauties—Yasmine and Nora—are about as best as friends can be. They think alike, dress alike, and enjoy the same things in the sack—namely, each other. Long ago, they learned how to double their pleasure with the aid of a double sided-dong, and so this pretty purple accoutrement is present almost any time Yasmine and Nora decide to get together and jam out with their clams out. They prep each other's privates prior to deftly stuffing in that dildo by using tongues and fingers to getting their pussies nice and slippery, sloppy wet. Then, in slides the sex toy and away they go—grinding and writhing their way to ecstasy. One cool feature of girls is their ability to have multiple orgasms—and both Yasmine and Nora are experts at sustaining their satisfaction. Only when exhaustion hits do they collapse into a cuddle—with their sex snake coiled beneath them.
